

Electronic IFU and Manuals

Electronic IFUs and Manuals for the OPTIMIZER Smart Mini System AIM HIGHER clinical trial are available on the company website shown below.

<https://impulse-dynamics.com/us-technical-documents/>

All previous versions of the Instructions for Use can be found on the website above with their revisions and publication dates. The Electronic IFUs are available in the national languages where the above OPTIMIZER Systems are distributed.

The Patient Manual is provided in paper form but can also be accessed online. In order to access the Technical Documents website shown above, access to the internet and the software Adobe Reader is needed. No specific hardware is required.

Paper copies of the IFUs are available within seven days upon request. Paper copies can be obtained from Impulse Dynamics Regulatory Affairs by submitting a request to RA@impulsedynamics.com. Please include the address where the document(s) should be sent. Paper copies will be shipped via overnight mail, free of charge.
